

Navigating Our Way Through **The Holidays of 2020**

A Virtual Franciscan Reflection led by Sister Arlene Einwalter

Saturday, December 12
10:00 – 11:45 a.m. (Central Time)

The holidays are an emotional time for all of us. Sister Arlene Einwalter will guide us through conversation as we recall good times and difficult times and the complications of the global pandemic. We'll talk about sadness, loss, fear, anger, guilt, regret... **and forgiveness.**

Sister Arlene is a School Sister of St. Francis. Besides an academic background in religious education and theology, Sister Arlene spent two years studying with the Elisabeth Kubler-Ross Hospice Training Program in northern New Mexico. Additional academic work in hospice, grief counseling, and death education enabled her funeral home ministry in Santa Fe, and her work as an educator, counselor, and spiritual mentor in the United States and Australia.

This is a Zoom Video Conference

The reflection is open to all sisters and associates able to take part in a Zoom video meeting using their Internet-connected computer. Please include your email address with your registration. We will send an email invitation to you at that address with instructions on how to connect to the Zoom meeting.
